

Thank you for your order

and choosing Emerald. Congratulations on starting your journey towards a safer, smarter and more sustainable future.

Get Started with SafeLink

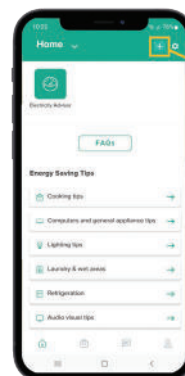

1 Download the App

Download or open the Emerald EMS App by scanning the QR Code.

2 Add a device

Click the Plus (+) button.

3 Pair your smart phone

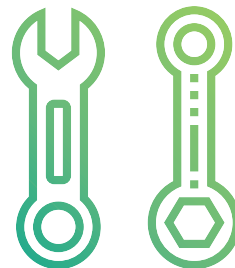

Plug in your SafeLink.

Follow in app instructions to set up your SafeLink.

4 Installing your smoke alarms.

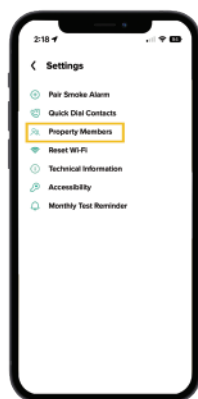

Select 'New Installation' and follow the in-app instructions to create a smoke alarm network and pair your SafeLink.

Emerald Smoke Alarms can be easily self-installed, when powered by the 10-year battery. Note: If you need to hardwire your alarms, contact an electrician.

Getting the most out of your Emerald SafeLink bundle

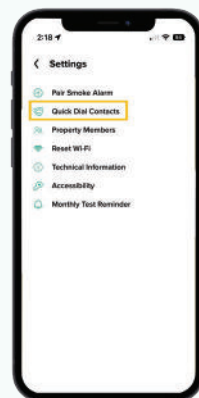

Property Members

Add Property Members so they can be alerted whenever your alarms are triggered.

Quick Dial Contacts

Quick Dial Contacts can be quickly and conveniently contacted in case of an emergency.

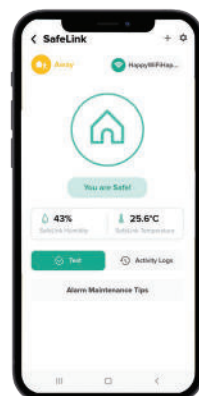

Monthly Test Reminders

Receive monthly reminders prompting you to test your alarms via the Emerald EMS App - without having to reach for your alarms.

Temperature & Humidity

Monitor the temperature and humidity of your home even when you're not home.
